

Life Skills Victoria Strategic Plan Easy English Version

Our Vision: Life Skills Victoria wants to see a community where people with a disability can join in and help make the community better for everyone.

Our Mission: Life Skills Victoria wants to give people the best services and help them learn new things so they can have a good life and do the things they want to do.

Goal 1: Life Skills Victoria wants to show other services in the community and in Australia how to have good services.

Goal 2: Life Skills Victoria wants to have the best workers it can get.

Goal 3: Life Skills Victoria wants to make the High Street Community Hub a place where everyone feels welcome and a place where you can meet other people and make friends.

Goal 4: Life Skills Victoria wants to be good at teaching people new skills so they can get a paid job.

Goal 5: Life Skills Victoria wants to provide great services to people who need a lot of support and try hard to find new ways to help them have a good life.

Goal 6: Life Skills Victoria wants to work with your family and friends, so you have lots of people to help you have a good life now and in the future
