

# Certificate I in Transition Education

## Course Code 22567VIC

Do you know what you want to do in life? Truth is, not all of us did. But this course will help answer some of those questions.

A Certificate I in Transition Education will help you find out what your next steps are by listening to what you like and figuring out your goals. From there, and with support of our qualified and experienced trainers, you will explore your options, develop a plan, and focus on obtaining the skills required to achieve those goals.

Taking this course not only helps develop your independence, decision making skills, and confidence, it's also a great opportunity to meet new people.

We have small class sizes to be flexible and responsive to your needs. The course is delivered in the classroom as well as activities and excursions in the community.

### Core Course Units

- VU23034 - Develop personal goals with support
- VU23035 - Explore self-development
- VU23036 - Participate in travel activities
- VU23037 - Explore future options for further training, work or community activities
- VU23038 - Participate in the community
- VU23039 - Use technology for a range of purposes

### Example of Elective Units

- VU22359 - Conduct a project with guidance
- VU22107 - Calculate and communicate sports scores
- VU23044 - Apply communication skills for personal purposes
- VU23040 - Explore personal well being

### Entry Requirements

Post compulsory school age learners (18 years+) with evidence of a permanent cognitive impairment or intellectual disability.

### Course Suitability

Students are assessed to determine the most suitable and appropriate training. We do this by conducting a pre-training review which may include information about other courses completed, your current skills and written tasks.

### Course Duration

1 day a week for 1 year.

### Fees and Charges

Please visit our website or contact our office for current fees and charges. Full price fee for students is \$250 (concession fee is \$50). This training is delivered with Victorian and Commonwealth Government funding, which pays for the rest of the course. Enrolment into this course may impact your entitlement to future government funded training.

### Training and Assessment

Training consists of course notes and activities in the classroom with self-paced learning and on excursions. Assessments involve a variety of methods including demonstrations, short answer questions and observation.

### Qualifications and Recognition

Students will be issued with a Certificate I in Transition Education upon successful completion of the course, or a Statement of Attainment for successful completion of individual units.

### Career Pathways

Students will be better prepared to access and engage within community settings.

### Further Study Opportunities

22566VIC Certificate I in Work Education.

### About Life Skills Victoria

The aim of Life Skills Victoria is to facilitate adult vocational and education training and independent skills development to assist people with disabilities to fully exercise their rights, and achieve their aspirations as individuals within the community.
