Profile review

Sometimes they come back by Stephan King

An enjoyable and entertaining film based on a short novel by horror legend Stephen King. Not massively scary but still an well acted and scripted film brilliantly played by all actors Concerned a must for any horror or Stephen King Fan. Highly recommended.

Sometime they comeback is a 1991 American made for television horror film based on the 1974 short story of the same name by Stephen King. The film tells the tale of a man and his family that return to his home town, but it then harassed by teenagers' that died when he was a kid. The film was followed by two straight-to video sequels: Sometime they come back again (1996) and Sometimes they come back for more (1998)

Andrew's Melbourne adventure to watch "Grease" musical

Andrew recently went in to Melbourne to watch the Musical "Grease"
The first "Grease" show was in 1978, since then I've watched a few "Grease" shows on TV and DVD but this is my first time experience a live "Grease" show which I've dreamed of doing for long time.

Cast/Creatives on the show

- Joseph Spanti - Danny Zuko
- Annelise Hall - Sandy Dumbrowski
- Mackenzie Dvn - Betty Rizzo
- Keanu Gonzalez - Kenickie
- Brianna Bishop - Marky

The Melbourne show will run until March 16th at Her Majesty's Theatre on Exhibition Street. If you're a "Grease" fan make sure not to let this event slip through your fingers!

Engaging in acts of community exchange.

Recently one of the themes our self-advocacy team celebrated was kindness. Members shared the kind deeds they did during the week. Andrew chose to give flowers to the library staff because they've been helpful and kind to the group. The library staff always cooperate well with our clients and our staff during our program time. They also support us very well at any special events we conduct at the library. They truly deserved to receive flowers on behalf of all our clients and staff.
